The expenditure on roads & and tunnels is not extra expenditure incidental to the Cattle Show. It represents the recurring expenditure.

3) Further the District Board annually pays a sum of Rs 1685 towards the maintenance of Hariharpur water works though it is not benefitted by the same works in the least and the maintenance of water works ~~etc~~ of a municipality does not legitimately devolve on the District Board.

4) In view of these facts it is doubtful ~~if~~ whether it would be proper to ask the D.B.D to hand over to the municipality the small surplus, if there be any, after meeting the expenses of the Cattle Show. Submitted for orders.

the management of the show to be transferred to it, while the Chitaldrug Dt Bd want it to continue under their management

16) The Dy Comr agrees with the Dt Bd. Since the Dt. Bd is a more influential body than the Harihar Municl Council, and the Cattle show is open within limits in which the entire Dt is interested and not merely the Harihar town, the ~~Dt Bd~~ show may continue under the management of the Dt. Board.

Further it is the Dt Bd that took the initiative & prepared the draft. It is submitted accordingly.

SUBJECT No. 368.

Disposal of the receipts at the cattle show at Harihar.

Mr. J. Balaji Rao, Harihar municipality.

*Summary of discussion.*—The receipts and expenditure in connection with the cattle show are now debited to the District Funds. It is the Municipal authorities that make the necessary arrangements for the show and incur heavy charges for the maintenance of roads and tunnels in the town. It is but fair that the net receipts should go to supplement the Municipal revenue.

*Reply of Government.*—Will be considered.

L. B. 66-14-1

Organisation and holding of Cattle Shows whether in municipal areas or elsewhere is a function generally performed by the District Boards. The cattle Show at Harihar was organised by the leading official & non-official Gentlemen in the district and it was but recently that it was ordered that the Show should be an annual function.

2) It is argued that the net receipts from the Show should be credited to municipal funds on the ground that the municipality incurs heavy expenditure for the maintenance of roads & tunnels in the town. These are duties primarily devolving on the municipality and not done to benefit the District Board

V. Read letter No. 1232/L.B.66-14-2 dated 31st July 1914 from the Secretary to Government, General and Revenue Departments, calling for a resolution of the District Board in the matter of crediting the net receipts from the Cattle show at Harihar to Municipal Funds and also resolution of the Harihar Municipality to the effect that they would meet the expenses of the Show and Exhibition if the income realised by the Board on the occasion of the Jatra is credited to municipality.
